

Connecting Progressive schools with Passionate Teachers

Have you Ever thought why teachers are absent from School?

1. Authorized Leave – 10%
2. Un-authorized Leave – 3%
3. Other Non-academic/Admin duties – 7%

The staggering rate is 20% or 1 in 5*

Effects of Teacher's Absence

Unattended students...Havoc in the classroom, loss of precious learning hours, upset parents, stress on other teachers and of course a worried Management

As Management/Administrators
how are we going to
handle this situation?

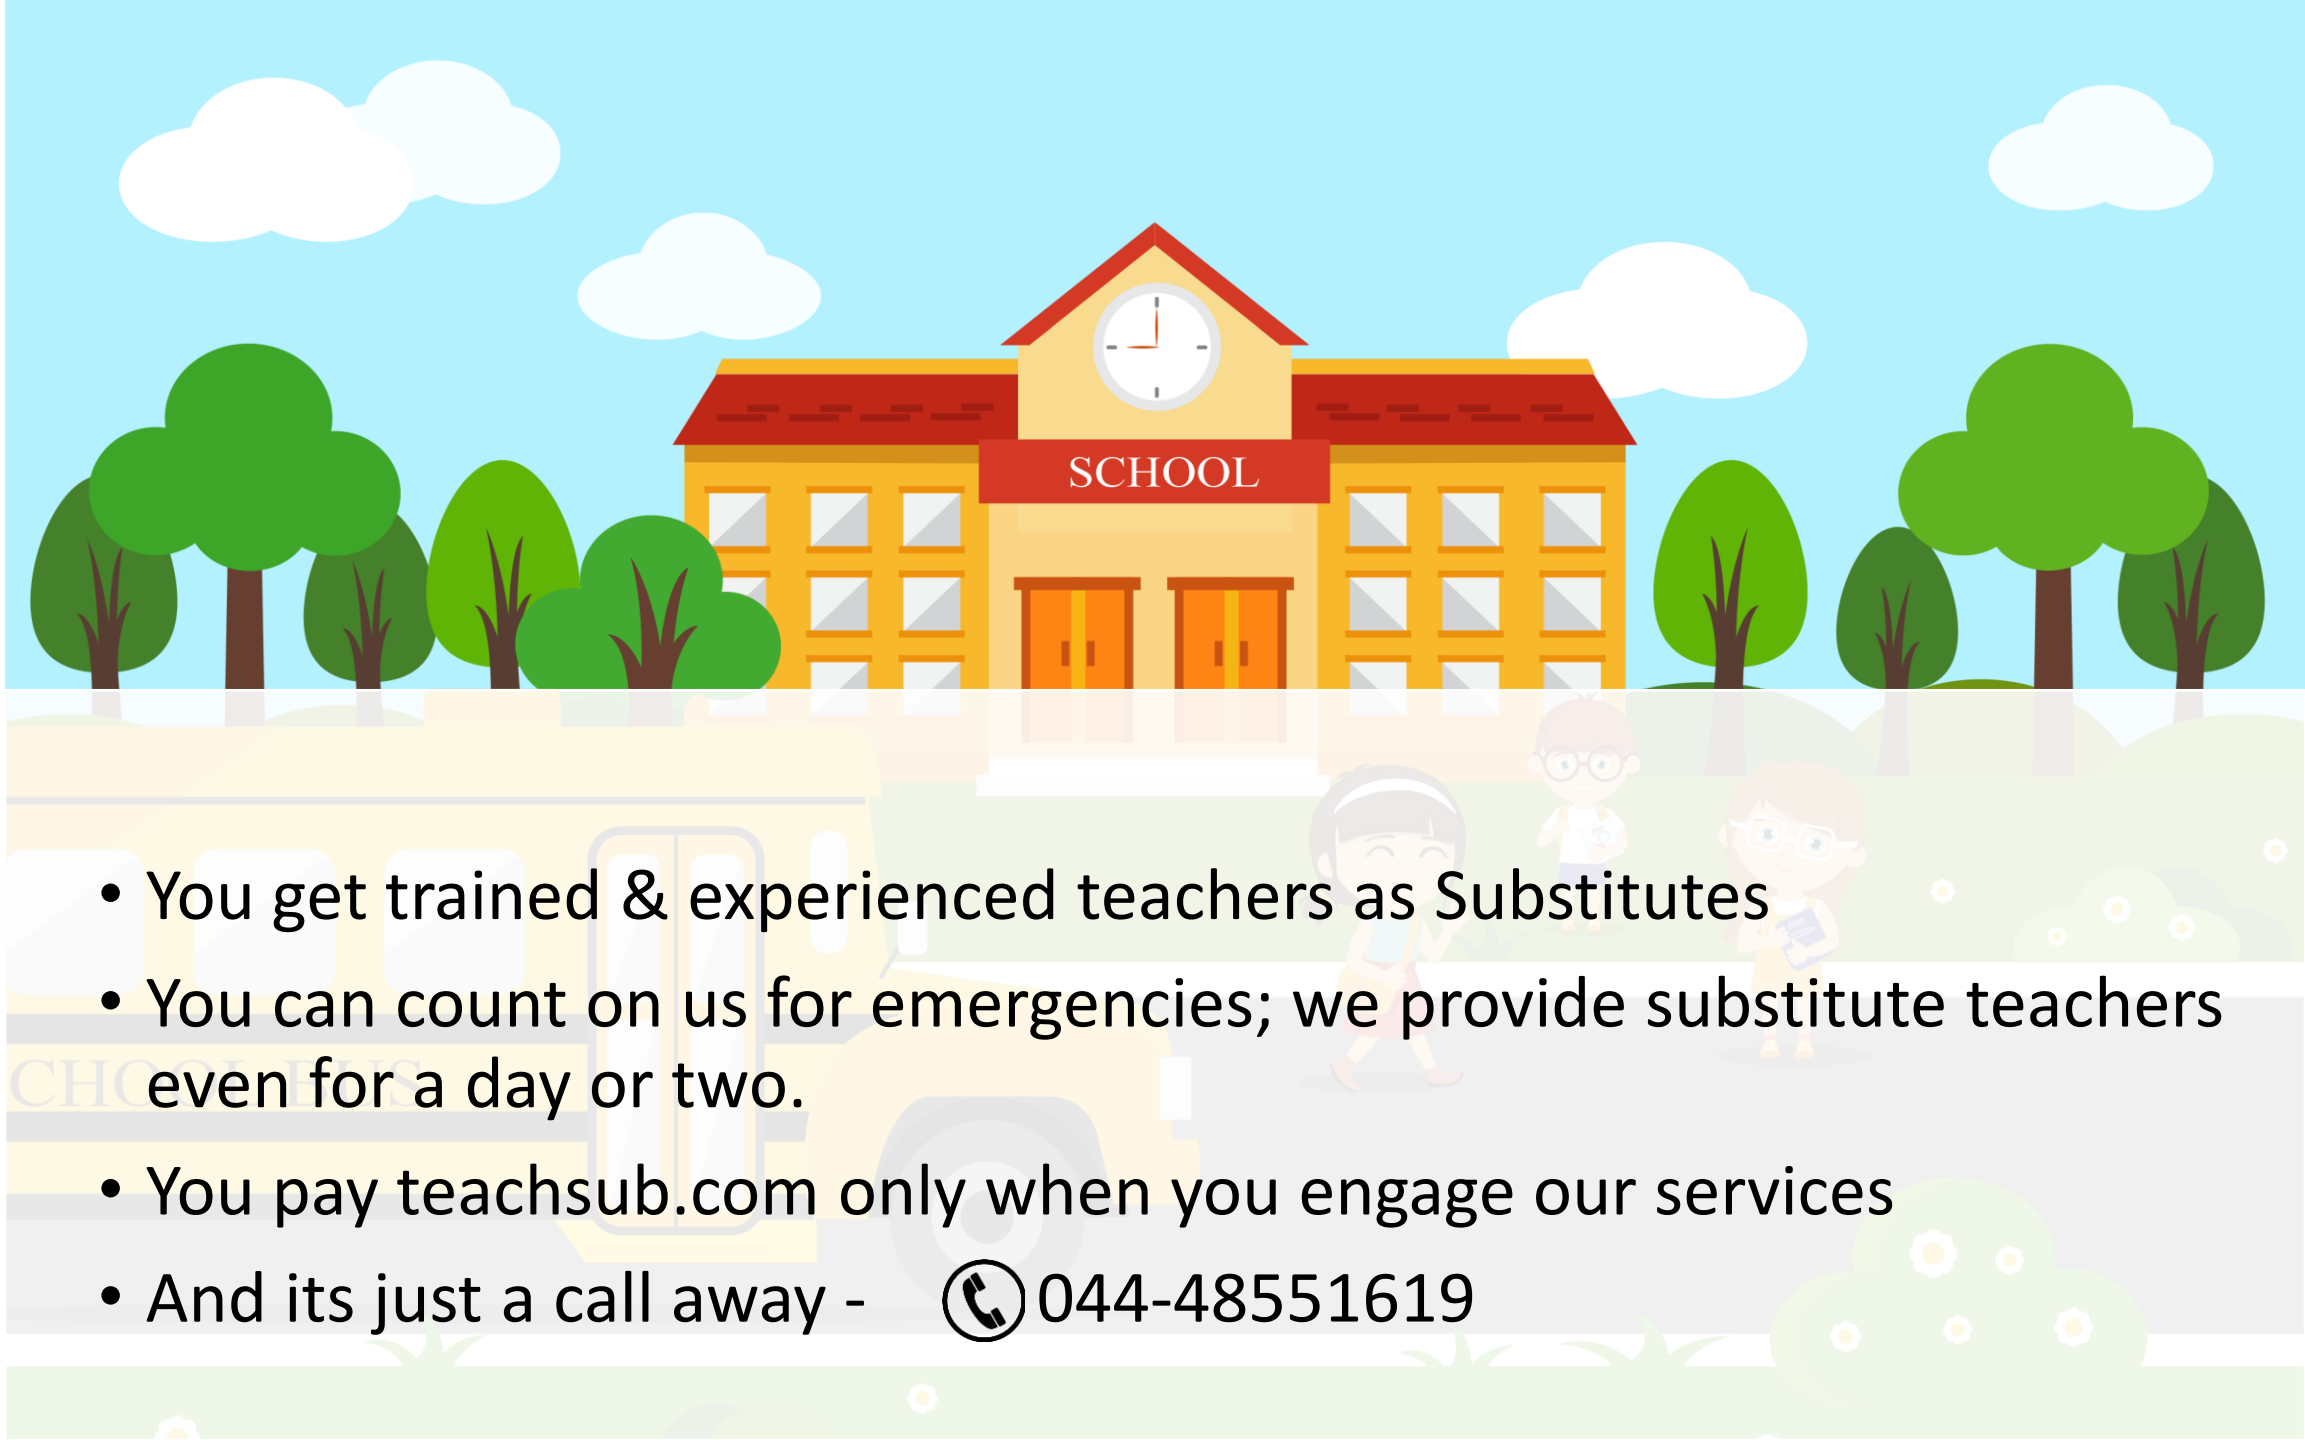

TeachSub is an IT enabled education company, providing simple yet powerful solution to manage absence of regular teachers by providing **qualified and trained substitution teachers**; not just to supervise the class but continue the subject topic.

TeachSub is run by career Educationists with decades of experience in education field, **TeachSub** brings the revolutionary Concept of Substitution Teaching to India.
